

TC PIR-FDTC SPONSOR CONTACT INFORMATION

As a participant in the Parenting in Recovery–Family Drug Treatment Court (PIR-FDTC) Program, you are required to work with a 12-Step program sponsor or PIR-FDTC-approved accountability partner. A member of the PIR-FDTC team will contact this person once or twice a month in order to check on your progress in recovery.

- You are maintaining at least weekly contact with your sponsor
- You are following your sponsor’s instructions regarding step work
- You are attending meetings on a regular basis
- You are working a strong recovery program

Please tell your sponsor (or potential sponsor) that a member of the PIR-FDTC team will call her or him periodically to ask these questions about your recovery program. If your sponsor is unwilling to speak with us, please obtain a sponsor who will.
